technical leader, Software development
Managers, AWS practitioners, cloud
practitioners, DevOps professionals, platform
teams, next-gen talent, startups

Why Sponsor

AWS Community Day Ottawa 2026 +
Collocated DevOps for GenAI Hackathon

Sponsors benefit from visibility across two complementary experiences: a community conference and a hackathon.

- **Brand exposure** to Cloud, AI and DevOps practitioners.
- **Technical credibility** through community association.
- **Lead Generation:** Utilize booths and sponsored activities (e.g., coffee breaks, raffles) for voluntary attendee interaction
- **Recruiter access** to builders and emerging talent.
- Product discovery through demo and hackathon interactions.
